

That Good Good

Ledisi

Intro

I'm the type of woman woman woman woman woman

I'm the type of woman woman woman woman woman 1st Verse

I'm the type of woman knows what she want and ain't afraid to say what I need

I want a kind of man that really understands and ain't afraid to give it to me

Put your arms around me like ya glad you found me say you can't live without me

Ay, this kind of love don't come free (show me) Your time your touch boy give me that affection I need your
attention whew

Your heart your soul boy all of that and then some work it till I'm losing my cool Hook

Give me love (That Good Good)

The kind that's gonna keep me there

Give me love (That Good Good)

If ya can't then I don't want you there

Cuz I don't need no one with me that don't compare

Give me love (That Good Good)

Give me give me that..that good good 2nd Verse

I'm the type of woman, gives it all she got and need someone to give it right back

Do you know how to treat me, know just how to read me only want a man like that

Got somebody for ya, first I gotta know ya, show me that ya got my back

Ay, that's why I'm not scared to act, (just give me) Your time your touch boy give me that affection I need your
attention whew

Your heart your soul boy all of that and then some work it till I'm losing my cool Hook

Give me love (That Good Good)

The kind that's gonna keep me there

Give me love (That Good Good)

If ya can't then I don't want you there Cuz I don't need no one with me that don't compare

Give me love (That Good Good)

Give me give me that..that good good Break (Music) Hook

Give me love (That Good Good)

The kind that's gonna keep me there

Give me love (That Good Good) If ya can't then I don't want you there

Cuz I don't need no one with me that don't compare

Give me love (That Good Good)

Give me give me that..that good good Repeat Hook Outro Good good good good (Give me that that)

Good good good good (Give me that that)

Good good good good (Give me that that)

Good good good good
