Good Weekend

Fm4

I wanted to bend her and fold her
So I lent over and I told her
Got myself a brand new girlfriend
Got myself a brand new girlfriend
Phones ringing all weekend
Got myself a brand new girlfriendWe want to be lapsed catholics
We've got the contraception
But we haven't got the knack yetGot myself a brand new girlfriend
Got myself a brand new girlfriend
So many messages to send
Got myself a brand new girlfriendSo we went to the cinema
We came home from the cinema
We went through the front door
Up the stairs
Through her bedroom door
Onto the bedroom floor
I've seen her naked twice!
I've seen her naked twice!Brand new girlfriend
Brand new girlfriend
Brand new girlfriendGot myself a brand new girlfriend
So many messages to send
Phones ringing all weekend
Got myself a brand new girlfriendGot myself a brand new girlfriend
And I think that I love her
