

# Autumn Jones

## Hootie & The Blowfish

Autumn Jones, when you fell and cut  
Your knee when you were six  
You said it wasn't nothing that you couldn't fix  
Life would be long  
Autumn Jones, do you remember  
When your daddy said goodbye?  
How you blamed yourself as tears fell from your eye  
'Cause he was gone, Autumn Jones  
Yeah, I understand your soul, it feels like cryin'  
You have every reason to, there's no denying  
But the last thing you should do is let them  
Turn your heart to stone, oh, please be strong  
Autumn Jones, remember sitting  
Watching years just pass you by  
Why weren't you feeling all those dreams you held inside?  
Life never lies  
But I understand your soul, it feels like cryin'  
You have every reason to, there's no denying  
But the last thing you should do is let them  
Turn your heart to stone, oh, please be strong  
Autumn Jones, now you're  
Standing at the altar all alone  
Feeling everything you ever had is gone  
Ain't life a song?  
Well, I understand your soul, it feels like cryin'  
You have every reason to, there's no denying  
But the last thing you should do is let them  
Turn your heart to stone, oh, please be strong  
'Cause I understand your soul, it feels like cryin'  
Oh, you have every reason to, there's no denying  
But the last thing you should do is let them  
Turn your heart to stone, ain't life a song? Autumn Jones
