Live It Up

Owl City

(Let's live it up) x4
Lead the way, and let's get it started,
Sees the day, and reach for the sky,
Carry on, 'cause those brokenhearted days are gone,
So wave goodbyeWe're gonna blow up because we've got nothing to lose,
We're gonna rise up above when we break all the rules,
We're gonna re-write the book 'cause it's long overdue,
Tear up the script, this is it 'cause it's all up to youBecause tomorrow will show up on time,
It's gonna follow the night of your life,
You know tomorrow begins when you say,
"Tomorrow is on it's way"
So, let's live it up today
Let's live it up todayPack your bags, adventure is waiting,
Gonna have the ride of your life,
Smile wide, 'cause there's no debating,
It feels so right, so hold on tightWe're gonna blow up because we've got nothing to lose,
We're gonna rise up above when we break all the rules,
We're gonna re-write the book 'cause it's long overdue,
Tear up the script, this is it 'cause it's all up to youBecause tomorrow will show up on time,
It's gonna follow the night of your life,
You know tomorrow begins when you say,
"Tomorrow is on it's way",
So, let's live it up today
.
Today, let's live it up, let's live it up toda-a-a-ay
Let's live it up todayBecause tomorrow will show up on time,
It's gonna follow the night of your life,
You know tomorrow begins when you say,
"Tomorrow is on it's way",
So, let's live it up,
Because tomorrow will show up on time,
It's gonna follow the night of your life,
You know tomorrow begins when you say,
"Tomorrow is on it's way",
So, let's live it up todayLet's live it up toda-a-a-ay
Let's live it up today
Let's live it up today
(Let's live it up today)
We're gonna live it up today
