

You

Black Kiss Superstar

5 years ago was the 1st time I saw you
Bad days, worse nights since you kissed my heart
Ain't long enough to forget you
I didn't think it would be so hard I'm so sad and lonely
I just can't keep on crying You ..you ...you
You and all the things you do Lost years, thought I was feeling tired
Stiff drinks, long nights deep down a hole
It's been so cold, I can't feel the fire
I need you back, back to my world I'm so sad and lonely
I just can't keep on crying You...you..Ohh You
You and all the things you do
You..you...Ohh You
I fell in love with all the things you do
