Try

[God Lives Underwater](#)

I can see you but I don't know what you're thinking
I can feel you but I don't know what you're feeling
You take me away when I look in you're eyes
I can't reach you no matter how hard I tryI don't care what gets your way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to tryI can touch you but I don't know if you'll let me
If you let me, I don't know if I'll want to
You push me away and, and I don't come back
Sometimes it's so hard to get you to reactI don't care what gets your way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to tryAnd I can't help it, I'm too young to be truthful
Maybe I'm not good enough to deserve you
It eats me away and I can't fight back
Can't you help me, I want you to protect meI don't care what gets in your way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me toI don't care what gets in your way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to try
