

Change

Darling Parade

I can't recall, somehow dreaming
Draw me to your smile
We all dance with demons daily
I need you closer for a while!
We've been damned by your own desires
You're living years that feel like hours
And I just wanna wake to find you here
I just want to change
It cannot be the same!
I am not the same
Cause I'm about to break!
I am not afraid
Cause I'm about to break!
You always learn my only weakness
I'm watching weeks just fade away
And you don't know the thoughts I'm keeping,
But you know it keeps me safe!
We've been damned by your own desires
You're living years that feel like hours
And I just wanna wake to find you here
I just want to change
It cannot be the same!
I am not the same
Cause I'm about to break!
I am not afraid
Cause I'm about to break!
Oh, this place is full of oxygen
It holds the stories locked inside
And we've been churning territories
Lost between your world and mine!
I just want to change
It cannot be the same!
I am not the same
Cause I'm about to break!
I am not afraid
Cause I'm about to break!
