

My Mind Is a Bad Neighborhood

[Highasakite](#)

We started lighting up the city
Like you wouldn't believe
My mind is a bad neighbourhood Either you are with us
Or you're with the terrorists
My mind is a bad neighbourhood The more time you spend out there
I was never a violent man but I changed
The more time you spend out there
I was always the silent one but I caved We started lighting up the city
Like you wouldn't believe
My mind is a bad neighbourhood Either you are with us
Or you're with the rebellion
My mind is a bad neighbourhood The more time you spend out there
I was never a violent man but I changed
The more time you spend out there
I was always the silent one but I caved We started lighting up the city
Like you wouldn't believe
