Strength

Enuff Z'Nuff

Now is no time
To judge our love,
With all the mess
Around us times are tough.
And I know it takes
More than I give now,
To build a world
Where you and I can live.And I need you now
To help me through,
To be the one
I know is true.
To hold my hand,
To keep the faith.
To be my guard,
To be my strength.I know that I
Want you to be mine.
Friends for life,
The arms that comfort me.
Oh but baby it'll take some time
To be like others.
To build a world,
To build a family
