

I Know Better

Atomic Opera

I've never seen an angel
I've never seen the devil
I've never held the truth or kissed a lie
I can't imagine heaven
I've never cried in Hell
I'm sick of holy freaks who say it all so well Sometimes I think I know
I Know Better
Sometimes I think I know Sometimes I think I know
I Know Better
Sometimes I think I know I know better
I know better
Sometimes I think I know that I know better I've never known the right way
I've never known the left
I don't dream to pretend that I know best
I cannot step into your mind
You cannot step into mine
It's all a one-way mirror and I'm the one who's blind Sometimes I think I know
I Know Better
Sometimes I think I know Sometimes I think I know
I Know Better
Sometimes I think I know I know better
I know better
Sometimes I think I know that I know better
I know better
I know better
Yeah Sometimes I think I know
I Know Better
Sometimes I think I know Sometimes I think I know
I Know Better
Sometimes I think I know I know better
I know better
Sometimes I think I know that I know better
I know better
I know better
Sometimes I think I know
Sometimes I think I know that I know better
I know better
Better
Yeah

Better
Better
Sometimes I think I know
Sometimes I
I think I
I think I know
