Mr. and Misdemeanor

Alice Cooper

Mr. and Misdemeanor, middle of the roaders
Set beside the ocean
Landscape's an' laws agoshin'
Who put all of this in motionLucky Luciano, Kenneth Pasarelli
You take the modern mosquito to every big city
I sit beside Misdemeanor
Here's new pretties for youNobody likes me, but we adore you
Da, da, da, da, yeah, yeah, yeah, yeahNasty Misdemeanor kickin' in the windows
Parked beside the ocean
Landscape's an' laws agoshin'
Who put all of this in motionDa, da, da, da, yeah, yeah, yeah, yeah
Yeah, yeah, [Incomprehensible]
