

All Falls Down

Machine Head

Anticipatin', salivatin', intoxicatin'
How I've been waitin'
To gently soak in
Your dream that's brokenCaress my hands
Around your throat
When I choke
The last gasp of air out of you
AahI'll mesmerize you, hypnotize you
Paralyze you, my snake eyes blind you
My gentlest tickle, my tender prickles
The back of your neck
I stab IciclesMy sweetest grin will pull you in
Behind that grin a razor teeth smile
Under your bed
Inside your head
I am the monster in waitWalk, run
I'm the fear you've become
Pray, hope
Before it's your
Downfall, and all falls
(Down)I patronize you, victimize you
My false pretenses endear me to you
I'm psychopathic, psychosomatic
Believe everything you've heard about meAte you alive since you were a child
That's when the monster first appeared to you
So know my name
What is my name?
My name is fear and I'm youWalk, run
I'm the fear you've become
Pray, hope
Before it's your
Downfall, and all falls down
DownWith faith I crawl
In sadness, I fear what I've become
'Cause after all
I'm actin', pretend my smile on
Before the fall
The pain washes over
Hold on, hold on

Survive, survive this Walk Walk

(Walk)

Run

(Run)

Run the fear you've become

Fight

(Fight)

Back

(Back)

Before it's your

Downfall, and all falls

Downfall, and all falls

(Down)
