

# Didn't You Know How Much I Loved You

[Kellie Pickler](#)

I remember the way you made love to me  
Like I was all you'd ever need  
Did you change your mind?  
Well, I didn't change mine Now, here I am trying to make sense of it all  
We were best friends, now we don't even talk  
You broke my heart  
You ripped my world apart Didn't you know how much I loved you?  
Didn't you know how much I loved you, baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you, baby?  
Baby, tell me, didn't you know how much I loved you? I can't get you out of my head  
I still feel you in this bed  
Left me all alone  
You couldn't be more gone From falling apart, to fighting mad  
From wanting you back, to not giving a damn  
I've felt it all  
I've been to the wall Didn't you know how much I loved you?  
Didn't you know how much I loved you, baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you, baby?  
Baby, tell me, didn't you know how much I loved you? One day justice will come and find you  
And I'll be right there in your memory to remind you Didn't you know how much I loved you?  
Didn't you know how much I loved you, baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you, baby?  
Baby, tell me Didn't you know how much I loved you?  
Didn't you know how much I loved you, baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you, baby?  
Baby, tell me
