Caught Like a Fly

Falling in Reverse

Attention, attention everyone!
I got a couple of things
I would like to get off of my chest
Haha
Friends
Who the fuck needs them?
You know who you are!
Eh hmm.Caught like a fly
In a web of your lies
It's truth be told now
Or it's meet your demiseSo how did it feel?
When you held the knife
That you stuck right in my back
A thousand timesYour grandfather would probably roll in his grave
If he knew of that person that you had became
I will not just lay down and take this
Not again, not againOh, you have left my heart, black and blue
Just like your father did to youHow does it feel, knowing you're barely alive
See through bloodshot eyes, you're left empty inside
There I was, strung out and drug through the mud
I must agree, you're just like meAnd when you die
I won't be at your wake
No eulogy from me
Just a smile on my face
And while God might be busy
With judging your soul
I will have slept with the girl
That you loved mostYou have left my heart, black and blue
Just like your father did to youHow does it feel, knowing you're barely alive
See through bloodshot eyes, you're left empty inside
There I was, strung out and drug through the mud
I must agree, you're just like me(Just like me)
(Whoa)Now how does it feel, knowing you're barely alive
See through bloodshot eyes, you're left empty inside
There I was, strung out and drug through the mud
I must agree, you're just like meI'm no fucking saint
But at least I'll fucking sing about it
Oh, the audacity!
