

Clarion Call

Courrier

We all return to change
We all have time to change
We swim against the tide
Look back into the past
We all do anything
We live in unconditional change A call to all
A call to us
A call to everything you wanted
It's your life
It's your life
It's your life A call to all
A call to us
A call to everything you wanted
It's your life
It's your life
It's your life
