Total Addiction (2005 Remastered Version)

Tankard

You need your drugs - your coke your crack your pills
Blurring your money in a frenzied manner
For a losing cause that cost your life
You're such a waste - not reason, no will to live
Strung out at home for days and weeks
The daze and gloom witch stuff out your lifeLet's fight! Kick it man! It sin your mind!
Shot it up! Short it up! Live it up for you
Total addiction
Smoke it up! Take it up! Live it up for you
Total addictionDon't need your drugs - just drink some beer and mosh
It's doesn't cost much for a case of beer
As it does for a quarter or gram of cane
Listen to Tankard - you need a doze of thrash
A total addiction to those music and beer
It's reason enough to quit your drugs
