Get Ya!

Cheers Elephant

I was born with a, six foot heart
And itâ€™s callin for, what you got
To feed me, To need me
To honor, To please me
You are the only one.
Iâ€™m about lose control and I like it,
Iâ€™m about to lose control
Iâ€™m freaking out!

Iâ€™m gonna get ya!
Iâ€™m gonna get ya!
Iâ€™m gonna get ya,
im gonna gonna make you mine!
Oh, Iâ€™m gonna get ya!
Iâ€™m gonna get ya!
Iâ€™m gonna get ya,
im gonna gonna make you mine!

Bees in the garden buzz on by.
Watchinâ€™ leaves grow with the tide
Darkness, highbeams
Blondness, pop dreams,
you are the only one.
Iâ€™m about lose control and I like it,
Iâ€™m about to lose control
Of my whole fucking self!

Iâ€™m gonna get ya!
Iâ€™m gonna get ya!
Iâ€™m gonna get ya,
im gonna gonna make you mine!
, Iâ€™m gonna get ya!
Iâ€™m gonna gonna get ya!
Iâ€™m gonna get ya,
im gonna gonna make you-miiiiiiiii-(continues)ine
