Sundown

Uriah Heep

I'll see you at sundown
You can't back out now
The news is all over town
I'll see you at sundown
And they can put one of us
In a hole in the ground, oh, yeah
Now it's three in the afternoon
And I'm frightened to death waiting for you in the saloon
I wonder if he feels the same
For whoever wins, there's still a cowboy to blame
Sundown, give me some strength
I know I can't go it alone
Sundown, give me your strength
Give me a chance to go home
To go home
Well, even if I shouldn't win
And I'm frightened to death when it's in it again
I hear the reverend feels it's a sin
(I'll get on my horse and ride)
For whoever wins, he's going to carry the blame
Sundown, give me some strength
I know I can't go it alone, oh
Sundown, give me your strength
Give me a chance to come home
