

# Yellow

## Kevin Abstract

[Verse 1]

Passed the pilot

Took my bottle

All my sorrows

Home tomorrow

All my luggage

Expired passport

I think you hate me

The hell do I know

Above ground level

I feel a crash coming

Jesus in my head

I don't believe in nothing

Jesus, Jesus Christ

I wanna build a sandcastle for no reason

I never wanted to end up with you

And my, my, my, my, my[Chorus]

If the trees were yellow

That would cure my heartbreak

Memories fade, I let go

Just to give the clouds a break

If you really love me, you gotta sacrifice it baby

If you really want me, you gotta sacrifice it babyIf the trees were yellow

That would cure my heartbreak

Memories fade, I let go

Just to give the clouds a break

If you really love me, you gotta sacrifice it baby

If you really want me, you gotta sacrifice it baby[Verse 2]

Special inconsistent moments hone in

The spring will never ever let us hold hands

I always wanted someone that could be afraid

Sand between my feet

And the distance between[Chorus]

If the trees were yellow

That would cure my heartbreak

Memories fade I let go

Just to give the clouds a break

If you really love me, you gotta sacrifice it baby

If you really want me, you gotta sacrifice it baby[Outro]

Don't leave me on the edge  
I wanna be yellow  
Don't leave me on the edge  
I wanna be yellow  
I wanna be yellow  
It's bright like yellow  
It's so so yellow  
It's bright like yellow  
This song's so yellow
