

Love's On the Run

Maze

Mmm hmm baby
You know Love's on the run
Now and I'm trying to keep up
Got me all into you
Girl I just want to be with you
If you keep on running
What I'm I gonna do gonna do yea (Keep running)
Don't you think that maybe (Keep running)
I could just get to talk to you (Keep running)
Driving me so crazy
And I don't know what to do nah nah nah
So can't you see what your doing to me and you
You can't get away cause I'm am gonna get you catch you
Love's on the run I know
Love's on the run baby
I know I know I know
And I'm tryng to keep up
I've got to get through to you
That's the place that I want to be
I can make you happy baby
What about you and me you and me (Keep running)
Girl I just can't help it (Keep running)
Your the one I've been thinking of (Keep running)
If you ever let me
I'm giving you my love
So can't you see what your doing to me and you
You can't get away cause I'm am gonna get you catch you baby
I am gonna get you catch you hooooo git it
I know right now that
Love's on the run nah nah nah nah nah
Love's on the run telling you
Baby Baby
And I'm trying to keep up
