# Open My Eyes

## By the Tree

You're the only one
That's worthy of my praise
You're the only one
This voice will raiseOpen my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into
Fall into
You're the only one
That's worthy of my praise
You're the only one
This voice will raiseOpen my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling intoOpen my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into
Fall into You
