

# Open My Eyes

## By the Tree

You're the only one  
That's worthy of my praise  
You're the only one  
This voice will raiseOpen my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into  
Fall into  
You're the only one  
That's worthy of my praise  
You're the only one  
This voice will raiseOpen my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling intoOpen my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into  
Fall into You
