

Body Hammer (Colin Richardson Mix)

Fear Factory

I clench my teeth and realize
My world is so near it's demise
A dying sun in a poisonous sky, straining my eyes
Burning with contempt and conflict

As of now, I am a tool
Of severe impact

I clench my fist and visualize
The blood that is spilled is our own
I open wide my bloodshot eyes, count the dead
A result of dysfunction

As of now, I am a tool
Of severe impact
Hammer down, cause and effect
And create a new world

Pound, drive, swing, strike
Break down, smash down
Pound and drive, swing and strike
Break it down, I am a tool

As of now, I am a tool
Of severe impact
Hammer down, cause and effect
And create a new world

As of now, I am a tool
Of severe impact
Hammer down, cause and effect
And create a new world

I am a tool, I am a tool, I am a tool
I am a tool, I am a tool, I am a tool, tool, tool
I am a tool to break down
Break it down and smash it all away
