Kombine

Georgia

Imagine to what you did to me
Til we'll meet by the sea
Cause I know we'll travel far
This, this will be a test
To imagine our best
All the rest and then we'll both combine
And then we'll both combine
Now that you're here
It's easy to see a future with me
Then we both combine
The biggest fist, then comes a kiss
And the wall becomes birds in the sand, but
I might get the wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I'm gonna get the wrong boy, but imma get you back
The wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I'm gonna get the wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I'm gonna get the wrong boy, but imma get you back
But imma get you backStanding on the mountain
Reaching for you
Arms out, reaching, nothing
Reality, it's hard
Awoken from a bad dream
Now it seems all that I can be
Is nothing without this little doubt
That you won real
I might get the wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I'm gonna get the wrong boy, but imma get you back
The wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I might get the wrong boy, but imma get you back
I'm gonna get the wrong boy, but imma get you back
Get the wrong boy, but imma, but imma
I'm gonna get the wrong boy, but imma get you back

I'm gonna get the wrong boy, but imma get you back
I'm gonna get the wrong boy, but imma get you back
Get the wrong boy, but imma get you back
