

No Place Like London

Johnny Depp & Jamie Campbell Bower

Advisory - the following lyrics contain explicit language:

[Anthony]I have sailed the world,
 beheld its wonders
 from the dardinelles,
 to the mountains of Peru,
But there's no place like London![Sweeney Todd]No, there's no place like London...[Anthony](spoken)
 Mr. Todd?[Sweeney Todd]You are young...
 Life has been kind to you...
You will learn.There's a whole in the world like a great black pit
 and the vermin of the world inhabit it
 and its morals aren't worth what a pig could spit
 and it goes by the name of London...
 At the top of the hole sit a previlaged few
 Making mock of the vermin in the lonely zoo
 turning beauty to filth and greed...
I too have sailed the world and seen its wonders,
 for the cruelty of men is as wonderous as Peru
 but there's no place like London!
 [Anthony]
(spoken)Is everything alright Mr. Todd?Sweeney Todd
 (spoken)
I beg your indulgence, Anthony,
 But my mind is far from easy.
 And these very streets are
 filled with shadows,
 Every last one of 'em.(sung)
There was a barber and his wife
 and she was beautiful...
 a foolish barber and his wife.
She was his reason and his life...
 and she was beautiful,
 and she was virtuous.
And he was naive.There was another man who saw

that she was beautiful...
A pious vulture of the law
who, with a gesture of his claw,
removed the barber from his plate!
Then there was nothing but to wait!
And she would fall!
So soft!
So young!
So lost
and oh, so beautiful![Antony]
(spoken)
Oh!

The lady, sir, did she, succumb?[Sweeney Todd]

(sung)Ah, that was many years ago...

I doubt if anyone would know.(spoken)

I'd like to thank you, Antony.

If you hadn't spotted me,

I'd be lost in the ocean still.Antony

(spoken)

Will I see you again?Sweeney Todd

(spoken)You may find me,

If you like,

Around Fleet Street.

I wouldn't wander...[Anthony]

Till then, my friend.[Sweeney Todd](sung)

There's a hole in the world like a great black pit
and it's filled with people who are filled with shit,

And the vermin of the world inhabit it..
