A Love Song

Anne Murray

There's a wren in a willow wood
Flies so high and sings so good
And he brings to you
What he sings to youLike my brother, the wren and I
Well, he told me, if I try, I could fly for you
And I wanna try for you 'causeI wanna sing you a love song
I wanna rock you in my arms all night long
I wanna get to know you
I wanna show you the peaceful feelin' of my homeSummer thunder on moon-bright days
Northern lights and skies ablaze
And I bring to you
Lover, when I sing to youSilver wings in a fiery sky
Show the trail of my love and
I wanna sing to you
Love is what I bring to you
And I wanna sing to you, ohI wanna sing you a love song
I wanna rock you in my arms all night long
I wanna get to know you
I wanna show you the peaceful feelin' of my homeI wanna sing you a love song
I wanna rock you in my arms all night long
I wanna get to know you
I wanna show you the peaceful feelin' of my homeI wanna show you the peaceful feelin' of my home
Home, ho-ho-home
