Alive

Jim Verraros

Never wanna say goodbye
I'll be stayin' by your side
I don't need a reason why
You make me wanna fly
Always wanna feel this way
Never let it fade away
Never wanna saee the day
When i don't see your face
Don't you ever say goodbye
'cause i need you by my side
Baby i'll tell you why
You make me feel alive
I had this feeling
Since the first time i looked into your eyes
That i'd never look away
And i feel the healin'
With every touch of your hand
And in every word you say
If i'm dreamin' then just let me sleep
For the rest of my life let this joy be unending
And if i should die before i wake
I know that i'll see you in heaven
Never wanna say goodbye
I'll be stayin' by your side
I don't need a reason why
You make me wanna fly
Always wanna feel this way
Never let it fade away

Never wanna saee the day
When i don't see your face
Don't you ever say goodbye
'cause i need you by my side
Baby i'll tell you why
You make me feel alive
So intense that i'm nervous
Friends tell me i deserve this
You are more then i've been waiting for
Promise me i'll be your one and only

You'll never leave me lonely
Love me like no one ever before
If i'm dreamin' then just let me sleep
For the rest of my life let this joy be unending
And if i should die before i wake
I know that i'll see you in heaven
Never wanna say goodbye
I'll be stayin' by your side
I don't need a reason why
You make me wanna fly
Always wanna feel this way
Never let it fade away
Never wanna saee the day
When i don't see your face
Don't you ever say goodbye
'cause i need you by my side
Baby i'll tell you why
You make me feel alive
