

Call It Off

Broadway Calls

I won't regret saying this
This thing that I'm saying
Is it better than keeping my mouth shut?
That goes without saying
Call, break it off
Call, break my own heart
Maybe I would have been something
You'd be good at
Maybe you would have been something
I'd be good at
But now we'll never know
I won't be sad
But in case I go there everyday
To make myself feel bad
There's a chance I'll start to wonder
If this was the thing to do
I won't be out long
But I still think it better if
You take your time coming over here
I think that's for the best
Call, break it off
Call, break my own heart
Maybe I would have been something
You'd be good at
Maybe you would have been something
I'd be good at
But now we'll never know
I won't be sad
But in case I go there everyday
To make myself feel bad
There's a chance I'll start to wonder
If this was the thing to do
I'll start to wonder
If this was the thing to do
