True Love Knows

La Luz

I don't want to go out
except to the ocean where the wind is loud
And I can stay high up on top of the hill where the
the grass is so tallAnd I never wanna see you, don't
want to see you at all
And I never wanna hear your voice
like you callTrue love knows, when it's left alone
God, it hurts so bad when you leave
they did it to you and you do it to me
True love knows when it's left alone
I'd be blind if I didn't see
they did it to you and you do it to meoooh ahhh
oooo
ahh
True love knows when it's left alone
God it hurts so bad when you leave
they did it to you and you do it to meTrue love knows, when it's left alone
I'd be blind if I didn't see
they did it to you and you do it to me
