

Rest

Skillet

Still, soft quietly spoken voice
That persistently calls my name
And quickens my heart to come
And I come And I rest in the shelter of Your love
And I rest in the wonder of Your grace
And I rest in the shelter of Your love
And I rest in the wonder of You, yeah Embraced in the promise of You
Is rest for the weary soul
Releasing all that is mine
I reach for You And I rest in the shelter of Your love
And I rest in the wonder of Your grace
And I rest in the shelter of Your love
And I rest in the wonder of You Take all the old and You make it new
Everything I give to You
You're the hope that can pull me through
Hallelujah And I rest in the shelter of Your love
And I rest in the wonder of Your grace
And I rest in the shelter of Your love
And I rest in the wonder of You And I rest in the shelter of Your love
And I rest in the wonder of Your grace
And I rest in the shelter of Your love
And I rest in the wonder of You And I rest in the shelter of Your love
And I rest in the wonder of Your grace
And I rest in the shelter of Your love
And I rest in the wonder of You
