

Both Sides Are Even

The Boxer Rebellion

You don't need a reason
For I know that what I've done is wrong
No one there to warn you
About the way that our moment's gone
Yeah, it's the same
Right or wrong
Yeah, it's the same thing
Right or wrong
These are my suspensions
And I'll never know how this was a lost cause
And both sides are even
They are even and alone
Yeah, it's the same

Right or wrong
Yeah, it's the same thing
Right or wrong
Ah...
And both sides are even
They are even and alone
Yeah, and both sides are even
They are even and alone
Yeah, it's the same
Right or wrong
Yeah, it's the same thing
Right or wrong
Yeah, it's the same thing
Right or wrong
