Ice Reign

Princess Chelsea

Royalty's not what it seems
Folks can be cruel & be mean
Waging battles, online wars
It's all just a bit of a chore
Listen to what i now say
For bad behavior you'll pay
So start being civil
Courteous too
Or it will be off
With your head

Listen to what i now say
for bad behavior you'll pay
So start being civil
Courteous too
Or it will be off
With your head

It will be off with your head
