

# Where Duty Calls

Patti Smith

In a room in Lebanon  
They silently slept  
They were dreamin' crazy dreams  
In foreign alphabet  
Lucky young boys  
Cross on the main  
The driver was approachin'  
The American zone  
The wavin' of hands  
The tiniest train  
They never dreamed  
They'd never wake again Voice of the Swarm  
We follow we fall  
Kneel for priests  
Some wail at walls  
Flag on a match head  
God or the law  
And they'll all go together  
Where duty calls United children  
Child of Iran  
Parallel prayers  
Baseball Koran  
I'll protect Mama  
I'll lie awake  
I'll die for Allah  
In a holy war  
I'll be a ranger  
I'll guard the streams  
I'll be a soldier  
A sleepin' marine Voice of the Swarm  
We follow we fall  
Kneel for priests  
Some wail at walls  
Flag on a match head  
God or the law  
And they'll all go together  
Where duty calls In the heart of the ancient  
Ali smiles  
In the soul of the desert

The sun blooms  
Awake  
Into the glare of all out little wars  
Who pray to return to salute  
The coming and dying of the moon  
Oh sleeping sun Assassin in prayer  
Laid a compass deep  
Exploding dawn  
And himself as well  
Their eyes for his eyes  
Their breath for his breath  
All to his end And a room in Lebanon  
Dust of scenes  
Erase and blend  
May the blanket of kings  
Cover them and him Voice of the Swarm  
We follow we fall  
Kneel for priests  
Some wail at walls  
Flag on a match head  
God or the law  
And they'll all go together  
Where duty calls Forgive them Father  
They know not what they do  
From the vast portals  
Of their consciousness  
They're calling to you Room in Lebanon  
There's room in Lebanon
