

Two Lips (feat. OCD: Moosh and Twist)

Hoodie Allen

[Intro]

Come on, come on, come on, come come on.[Verse 1]

Sneaking out my bed at night

Tell her, turn the lights down low

Trying to figure out my mind

She always wonder where I go.

Tell her, Good music, coming home with a pocket full of tulips.

She want to point a finger at me, no excuses.

Trying end up in that pussy like two lips.[Pre-Hook]

She wants to off my head.

Wants to off my head, my head

Can we both, forget

Baby I don't know.

Want me more or less

Want me more or less, or less

Is it all for sex?

Baby, I hope so.[Hook]

So tell me what you want, what you really really want.

I ain't got time, if you think that you're in love, with me.

So tell me what you want from me. oh

I ain't got time, if you really wanna fuck.

You're bitching all the time, that you never get enough from me.

So tell me what you want from me. ohh[Verse 2]

Sitting in the hotel lobby

You never get me off my phone

Treat me like a paparazzi

I show up then I got to go.

Make good music,

Everybody that I'm meeting is a doofus.

They try to point an arrow at me like cupid

I want to end up in that pussy like two lips.[Pre-Hook]

She want it off, my head.

Want it off, my head, my head

Can we both, forget

Baby I don't know.

Want me more or less

Want me more or less, or less

Is it all for sex?

Baby, I hope so.[Hook]

So tell me what you want, what you really really want.
I ain't got time, if you think that you're in love, with me.
So tell me what you want from me. oh
I ain't got time, if you really wanna fuck.
You're bitching all the time, that you never get enough from me.
So tell me what you want from me. ohh[Verse 3: OCD: Moosh and Twist]

[Moosh]I say
Whatcha want from me,
You want a college guy?
A little yes man who like to work from nine to five
I ain't trippin' because I know you make a lot of dough
But I might see you on the tour girl you never know.
When I ain't even mad at you
You get what you had to do.
Heard you go to Georgia Tech
Well I go to Savage U
Said you never heard me
Turn around and get me dirty
I would of got you a drink
If I knew you were gonna be thirsty.[Twist]

The worlds heavy on me now
Feel like I can't move at all.
And when I got it down,
Feel like I'm a lose it all
Everyday feel like the worst day ever
When I'm with you girl
It feel like my birthday, never.
I mean, tell me why I really want you right now?
I wanna love you but all you wanna do is fight now.
Tell me how its backwards girl, you need practice girl.
You about to make me bounce like a mattress girl. I said![Hook]

Tell me what you want, what you really really want.
I ain't got time, if you think that you're in love, with me.
So tell me what you want from me. oh
I ain't got time, if you really wanna fuck.
You're bitching all the time, that you never get enough from me.
So tell me what you want from me. ohh[Outro]

Girl, we can get it on tonight.
If you do that little thing I like.
I don't want to fall in love
Because I'm only here for the nightGirl, we can get it on tonight.
If you do that little thing I like.
I don't want to fall in love
Because I'm only here for the night
