Turn On

The Rationals

You're getting warm
(You're getting warm)
You hear the door
(You hear the door)
It is creaking
(Creaking)
A fever pitch, built so near and spreads tonight
(A fever pitch is built tonight)Winds sweep
(Winds sweep)
Pull you close
(Pull you close)
Through the danger
(Danger)
I know I've got you where I want you tonight
(I've got you where I want you tonight)I am your frontier, explore my heart
(I am your frontier, explore my heart)
I am your frontier, explore my heart
(You're getting warmer, warmer, warmer tonight)When it opens
(When it opens)
Trembling
(Trembling)
The fear gives way
(Fear gives way)
Anticipation pulls you nearer tonight
(Anticipation tonight)Red delicious
(Red delicious)
Pink and wet
(Pink and wet)
It's so hot now
(I'm so hot)
I know I've got you where I want you tonight
(I've got you where I want you tonight)I am your frontier, explore my heart
(I am your frontier, explore my heart)
I am your frontier, explore my heart
(You're getting warmer, warmer, warmer tonight)Turn on tonightAnd you got it
And you know itAnd you got it
And you know it
And you want it
And you feel itAnd you got it

And you know it
And you want it
And you feel itI am your frontier, explore my heart
(I am your frontier, explore my heart)
I am your frontier, explore my heart
(You're getting warmer, warmer, warmer tonight)I am your frontier, explore my heart
