

Out of the Depths

[Andrea Hamilton](#)

Verse 1:

Out of the depths I cry
Out of the depths for You only
For with the Lord is unfailing love
Out of the depths I cry
Out of the depths for Your mercy
God hear me from Your throne
high above

Pre-Chorus:
I put all my hope in Your Word,
Your promise to save me, oh oh
Before You I quiet my soul
and wait

Chorus 1:
More than watchmen
More than watchmen
Wait for the morning

I'll wait for You

Verse 1
Pre-Chorus
Chorus 2:
More than watchmen
More than watchmen
Wait for the morning

I'll wait for You
Pre-Chorus 2:
I put all my hope in Your Word,
Your promise to save me, oh oh
Before You I quiet my soul
and wait

Chorus 2
