

# Cinderella

**Steven Curtis Chapman**

She spins and she sways to whatever song plays  
Without a care in the world  
And he's sitting here wearing  
The weight of the world on his shoulders  
It's been a long day and there's still work to do  
She's pulling at him saying, "Dad, I need you  
There's a ball at the castle and I've been invited  
And I need to practice my dancing, oh please, daddy, please"  
So he'll dance with Cinderella while she is here in  
his arms  
'Cause he know something the prince never knew  
Oh, he'll dance with Cinderella, he don't want to miss even one song  
'Cause all too soon the clock will strike midnight and she'll be gone  
She says he's a nice guy and he'll be  
impressed  
She wants to know if he'll approve of the dress  
She says, "Dad the prom is just one week away  
And I need to practice my dancing, oh please, daddy, please"  
So he'll dance with Cinderella while she is here in  
his arms  
'Cause he know something the prince never knew  
Oh, he'll dance with Cinderella, he don't want to miss even one song  
'Cause all too soon the clock will strike midnight and she'll be gone  
She will be gone  
But she came home today with a ring on her hand  
Just glowing and telling us all they had planned  
She says, "Dad, the wedding's still six months away  
And I need to practice my dancing, oh please, daddy, please"  
So he'll dance with Cinderella while she is here in  
his arms  
'Cause he know something the prince never knew  
Oh, he'll dance with Cinderella, he don't want to miss even one song  
'Cause all too soon the clock will strike midnight and she'll be gone
