

# Exhale (shoop Shoop)

## Whitney Houston

Everyone falls in love sometime  
Sometimes it's wrong, and sometimes it's right  
For every win, someone must fail  
But there comes a point when  
    When we exhale  
    Yeah, yeah, say  
    Shoop, shoop, shoop  
    Shoop be doop, shoop, shoop  
        (Yeah)  
    Shoop be doop, shoop, shoop  
(All you got to say is shoo be doop)  
    Shoop be doop, shoop, shoop  
    Shoop be doop, shoop, shoop  
        (Shoo be doop)  
    Shoop be doop, shoop, shoop  
    Shoop be doop, shoop  
        Shoop be doop  
    Sometimes you'll laugh  
    Sometimes you'll cry  
Life never tells us, the when's or why's  
When you've got friends, to wish you well  
    You'll find your point when  
        You will exhale  
        (Yeah, yeah, say)  
        Shoop, shoop, shoop  
    Shoop be doop, shoop, shoop  
    Shoop be doop, shoop, shoop  
        (Shoo shoo shoo huh)  
    Shoop be doop, shoop, shoop  
    Shoop be doop, shoop, shoop  
        (Shoo be)  
    Shoop be doop, shoop, shoop  
(Say shoop say shoo be say shoo be)  
    Shoop be doop, shoop, shoop  
        (Say shoo-hoo say sho)  
        Shoop be doop  
    Hearts are often broken  
    When there're words unspoken  
In your soul there's answers to your prayers

If you're searching for a place you know

A familiar face, somewhere to go

You should look inside yourself

And you're halfway there

And sometimes you'll laugh

And sometimes you'll cry

Life never tells us, the when's or why's

But when you've got friends, to wish you well

You'll find your point when

You will exhale

Say

Shoop, shoop, shoop

(Shoo be)

Shoop be doop, shoop, shoop

(Shoo be)

Shoop be doop, shoop, shoop

(Shoo be)

Shoop be doop, shoop, shoop

(Shoo-hoo-hoo be)

Shoop be doop, shoop, shoop

(Shoo be doop doop doop hoo hoo hoo)

Shoop be doop, shoop, shoop

(Do do shoo be shoo be feels alright)

Shoop be doop, shoop, shoop

(You can say oh)

Shoop be doop
