Shepherd

Local Sound

I'm coming to Your rest, God
The place where I belong
Hide me in Your shadow
There's nothing more I want

Your grace is all around me
Falling like the rain
Lead me to the quiet
Be my hiding place

I
leave the world behind to follow
You
I'm drawing close
You're drawing closer
Time
Fades but Your love is forever
Jesus

All of my heart
You have
All of my heart
Take my life
It is yours
All I am for Your cause

Though I stumble and fall
You will carry me home
I'm always in Your sight
Jesus, Shepherd of mine

When the enemy surrounds me
You're speaking to the storm
You seek me at the table
In the middle of the war

And I will fear no evil
And I can't see the way
Your goodness and Your mercy

Overwhelm my pain

I
leave the world behind to follow
You
I'm drawing close
You're drawing closer
Time
Fades but Your love is forever
Jesus

All of my heart
You have
All of my heart
Take my life
It is yours
All I am for Your cause

Though I stumble and fall
You will carry me home
I'm always in Your sight
Jesus, Shepherd of mine

You will never leave
This I know
Oh oh oh
I will never be
Be alone

All of my heart
You have
All of my heart
Take my life
It is yours
All I am for Your cause

Though I stumble and fall
You will carry me home
I'm always in Your sight
Jesus, Shepherd of mine

All of my heart
You have
All of my heart
Take my life
It is yours

All I am for Your cause

Though I stumble and fall
You will carry me home
I'm always in Your sight
Jesus, Shepherd of mine

Nothing comes between us
I will be at peace
Because I know the Shepherd
Cause He is good to me
