Only in America

Agnostic Front

Risk their lives for us all
And the government lets them fall
No help at the VA
When will they have their say?Only in America
Our veterans deprived
Only in America
The soldiers left to dieSent to fight in a foreign land
Come home with nothing in hand
Homeless with nowhere to go
It's unbelievable
Only in America
Our veterans denied
Only in America
The soldiers left behindOnly in America
Our veterans deprived
Only in America
The soldiers left to die
Land of the free, home of the brave
They fought for freedom
But now they're treated just like slavesOnly in America
