That Girl

Mcfly

One, two, three, four
Went out with the guys and before my eyes
There was this girl, she looked so fine
And she blew my mind and I wished that she was mine
And I said, "Hey wait up 'cause I'm off to speak to her"
And my friends said
(You'll never get her, you're never gonna get that girl)
But I didn't care
(You'll never get her, you're never gonna get that girl)
'Cause I loved her long blond hair
(You'll never get her, you're never gonna get that girl)
And love was in the air
And she looked at me
(You'll never get her, you're never gonna get that girl)
And the rest was history
(You'll never get her, you're never gonna get that girl)
Dude you're being silly 'cause you're never gonna get that girl
And you're never gonna get the girl
We spoke for hours
(She)
Took off my trousers
Spent the day laughing in the sun
We had fun and my friends they all looked stunned, yeah, yeah
Dude, she's amazing and I can't believe you've got that girl
And my friends said
(She's amazin', I can't believe you've got that girl)
She gave me more street cred
(She's amazin', I can't believe you've got that girl)
I dug the books she read
(She's amazin', I can't believe you've got that girl)
And how could I forget
She rocks my world
(She's amazin', I can't believe you've got that girl)
More than any other girl, yeah yeah
(She's amazin', I can't believe you've got that girl)
Dude, she's amazing and I can't believe you've got that girl
And I can't believe you got the girl
She looked incredible just at seventeen
I guess my friends were right, she's out of my league

So what am I to do? She's too good to be true
(One, two, three, four)
But three days later went 'round to see her
But she was with another guy and I said, "Fine"
But I never asked her why
But since then loneliness has been a friend of mine
And my friend's said
(Such a pity, I'm sorry that you lost that girl)
I let her slip away
(Such a pity, I'm sorry that you lost that girl)
They tell me everyday
(Such a pity, I'm sorry that you lost that girl)
That it will be okay
Yeah, she rocks my world
(Such a pity, I'm sorry that you lost that girl)
More than any other girl, yeah
(Such a pity, I'm sorry that you lost that girl)
Dude, it's such a pity
And I'm sorry that you lost that girl
And I'm sorry that you lost that girl
