Walter:
(Yo Vince, we got one right here man)
Ciara : (Walter)
Walter:What's up CiCi
Ciara:I told you, I got you
Walter:Ok, ciara who's on the all star team
Ciara:I got MB
Walter:What's up boys
Ciara:Lil' Twist
Walter:Twist
Ciara:Tyga
Walter:Woah
Ciara:It's the all stars baby
Walter:All Star, let's go
Why you love me, really, so, so much?
I'm just kiddin'!
You know I feel the same, she giggles
When she kisses me
Like, I love it when she with me!
Make them other girls jelly,
Jealous cuz they ain't with me
Then we pull off in Bentley
Flyer than a blimp-b
Two-seater sexy, my girl would text me
But, she right next to me (next to me)
Then i drop her off, get some time alone
And, then she call my phone like,
[Prodigy]When I say hey, then you say what's up?
And I'll be like baby, do you miss me?
When you say yes, then I'll say ditto.
Then you hit me back, with the less than symbol number three.
[Hook]I got a clue how you feel for me.
1-4-3 a smiley with a wink.
That's how you feel baby that's what's up.
A hundred forty characters, is more than enough.
[Chorus (Mindless Behavior)]Hey, my girl, my girl, she loves me.
I know I'm on her mind even when we don't speak.
[Ciara]Say, my boy, my boy, he loves me.
He hit me all the time my phone be ringing off the hook like...

[Roc Royal]Me and my girlfriend, we go out every weekend!
(Ciara: He hit me all the time my phone be ringing off the hook like)
We just two love birds, that's why we always tweetin'!
[Lil Twist]Ok ! girl, my girl, she loves me!
And won't put no one above me!
And she likes to kiss and hug me
She be spoiled by me walkin , BALLIN!
Like New York, and maybe this my new store...
And, yes! I have found it for you!

So, catch me and my new heart!
Uh, it's me and MB
Trying to show you, babe, what we see!
But you more up on that "if, if"
And, i'm more up on that "we,we"!
You and all, i'm far away as a call!
And, i got a new ball and all!
And, text me when you hit the mall, EY!
[Chorus (Mindless Behavior)]Hey, my girl, my girl, she loves me.
I know I'm on her mind even when we don't speak.
[Ciara]Say, my boy, my boy, he loves me.
He hit me all the time my phone be ringing off the hook like...
[Mindless Behavior]Me and my girlfriend, we go out every weekend!
(Ciara: He hit me all the time my phone be ringing off the hook like)
We just two love birds, that's why we always tweetin'!
[Lil Twist]Text me, tease me "Smiley face", "send" key!
I wanna see you wind it,
Cuz, that natural "G" is in me!
I wanna rock with my lil' bros! (What up?!)
I'm on my "MINDLESS BEHAVIOR"
So, please forgive my flaws!
Now, let's go! Ah-ah-o!
I wanna do it all for you And, a lot of too yo comforter
Your bills for me are cool for you
Were just for you
And, two for twos
Me and my best man
I got the best plan
I got a ring to fit the best hand!
[Chorus (Mindless Behavior)]Hey, my girl, my girl, she loves me.
I know I'm on her mind even when we don't speak.

He hit me all the time my phone be ringing off the hook like...
[Roc Royal]Me and my girlfriend, we go out every weekend!
