

# Circus

## Kidz Bop Kids

There's only two types of people in the world  
The ones that entertain and the ones that observe  
Well, baby I'm a put-on-a-show kind of girl  
Don't like the backseat, gotta be first I'm like a ringleader, I call the shots  
I'm like a firecracker, I make it hot  
When I put on a show I feel the adrenaline moving through my veins  
Spotlight on me and I'm ready to break  
I'm like a performer, the dance floor is my stage  
Better be ready, hope that you feel the same All the eyes on me in the center of the ring just like a circus  
When I crack that whip everybody gonna trip just like a circus  
Don't sit there watching me, follow me, show me what you can do  
Everybody let go, we can make a dance floor just like a circus There's only two types of guys out there  
Ones that can hang with me and ones that are scared  
So baby I hope that you came prepared  
I run a tight ship so beware I'm like a ringleader, I call the shots  
I'm like a firecracker, I make it hot  
When I put on a show I feel the adrenaline moving through my veins  
Spotlight on me and I'm ready to break  
I'm like a performer, the dance floor is my stage  
Better be ready, hope that you feel the same All the eyes on me in the center of the ring just like a circus  
When I crack that whip everybody gonna trip just like a circus  
Don't sit there watching me, follow me, show me what you can do  
Everybody let go, we can make a dance floor just like a circus Let's go, like a what? All the eyes on me in the  
center of the ring just like a circus  
When I crack that whip everybody gonna trip just like a circus  
Don't sit there watching me follow me show me what you can do  
Everybody let go, we can make a dance floor just like a circus All the eyes on me in the center of the ring just  
like a circus  
When I crack that whip everybody gonna trip just like a circus  
Don't sit there watching me follow me show me what you can do  
Everybody let go, we can make a dance floor just like a circus
