Wannabe

The Androids

You try to look like you're busy
Your time's aerobics and weight lifting
The wardrobe's perfect but the acting's obscene
Unwind on rainy days, applying fake tan cream
And you wear those clothes

'Cause you're a real wannabe
You're not indisposed
You're just a real wannabe
I've seen you roller blade lately

Drop names and disco till tomorrow
And you wear those clothes

'Cause you're a real wannabe
You're not indisposed
You're just a real wannabe
