Into The Morning

Roscoe Dash

everday we hit the club(party) and party hard
all on the furniture with no regards
im fadded bring me 3 more bottles tryna hit the room with this bad lil model
everyday we party hard let it rain no tomorrow
we gunna take this party on into tomorrow
monday tuesday wednsday thursday friday saturday sunday(into the morning)
monday tuesday wednsdaythursday friday saturday sunday(into the morning)
im fadded bring me 3 more bottles tryna hit the room with this bad lil model
everyday we party hard let it rain no tomorrow
we gunna take this party into tomorrow(into the morning)
roscoe:
turnt up like everyday only question which club imma hit today
might flex up and get bit today make it rain and pay somebodies rent today
haters dont know what to say club feel like the first of the month today
free shots for the girls in the front today..
hit the pussy hit the pussy more than once a day
Miami going hammy standing on the furniture
we in the reckless mind state dont act like you aint heard of us
shut this city down you gunna know when we around you where where
a group when a fist when i test this ticketyou can drowned in there
ill be fine in the morning got some women who are down to performing
got a camera with a light thats recording knock em out knock em out george forman
yeah two times on a sunday what a lil brotha gotta em goin one way
when the night falls get sun in your life feels like one big party all in one day
everday we hit the club(party) and party hard
all on the furniture with no regards

im fadded bring me 3 more bottles tryna hit the room with this bad lil model
everyday we party hard let it rain no tomorrow. we gunna take this party into tomorrow
monday tuesday wednsday thursday friday saturday sunday (into the morning)
