

# Prisoner of Love

[Matt Monro](#)

Alone from night to night you'll find me  
Too weak to break the chains that bind me I need no shackles to remind me  
I'm just a prisoner of love For one command I stand and wait now  
From one who's master of my fate now I can't escape for it's too late now  
I'm just a prisoner of love What's the good of my caring if someone is sharing those arms with me Although she  
has another, I can't have another for I'm not free She's in my dreams awake or sleeping  
Upon my knees to her I'm creeping  
My very life is in her keeping I'm just a prisoner of love What's the good of my caring if someone is sharing  
those arms with me  
Although she has another, I can't have another for I'm not free
