Hesitate

Slackk

You were my fire
So I burned
Til' there was nothing left of meI, I touched your face
I held you close
Til' I could barely breatheWhy give me hope
then give me up
Just to be the death of me
Save the rest of meCause I see you
But I can't feel you anymore
So go away...I need you
But I can't need you anymore
You hesitateNow, now and then
You come around
Like there's something left for meWe were one,
Ooh, we were everything
I'm still here
But I'll just keep the rest of meCause I see you
But I can't feel you anymore,
So go away...I need you,
But I can't need you anymore
You hesitateOoh, we never made it...
You hesitated.Ooh, I don't believe
That I see you
But I can't feel you anymore,
So go away...I need you,
But I can't need you anymore
You hesitateCause I see you
But I can't feel you anymore
So go away...I need you,
But I can't need you anymore
You hesitate
HesitateYou were my fire
So I burned
Now there's nothing left of me...
