

# R&B Junkie

## Janet Jackson

I feel like bumpin' to some old school  
I feel like dancin' all night with you  
I feel like bumpin' to some old school  
I feel like dancin' all night with you Time to set it off, we can bump, bump all night  
Wanna get my freak on, DJ keep the party hype  
Do the wop, don't you stop, or just smurf it left to right  
We could bounce, skate and rock play that old school I like Okay, here we go take it back let's get it funky  
I'm a R&B junkie, you know it babe  
Groove me, on the floor like that music is bumpin'  
Ride it get all up on it baby, ooh Oh, oh, oh, oh, oh, tell me can you keep it up  
Oh, oh, oh, oh, oh, till they kick us out the club  
Oh, oh, oh, oh, oh, lookin' like you're havin' fun  
You know how we do it's old school love, yeah baby Time to set it off, we can bump, bump all night  
Wanna get my freak on, DJ keep the party hype  
Do the wop, don't you stop, or just smurf it left to right

You know how we do it's old school love yeah Time to set it off, we can bump, bump all night  
Wanna get my freak on, DJ keep the party hype  
Do the wop, don't you stop, or just smurf it left to right  
We could bounce, skate and rock play that old school I like I feel like bumpin' to some old school  
I feel like bumpin' to some old school  
I feel like bumpin' to some old school  
I feel like dancin', it's time to set it off Time to set it off, we can bump, bump all night  
Wanna get my freak on, DJ keep the party hype  
Do the wop, don't you stop, or just smurf it left to right
