Someday (You'll Want Me to Want You)

Patsy Cline

I know that someday, you'll want me to want you
When I'm in love with somebody new
You expect me to be true and keep on loving you
Though I am feeling blue, you think, I can't forget youUntil someday, you'll want me to want you
When I'm strong for somebody else
And although you don't want me now
I'll get along somehow and then I won't want youI know that someday, you're gonna want me to want you
When I'm strong for somebody else
And although you don't want me now
I'm gonna get along somehow and then I won't want you
I won't want you and then I won't want you
