Yellow Snot Funk

Home Brew

You gonna live or what? You only got one live it up!
What you got John? Sniff it up! Who gives a fuck?
'Cause every single shitty club, in this shitty city's shut,
so live it up!
Shit you might as well get, lick it up! I'm high as hell man, giz a cup!
My liver's fucked, fuckin' drink until ya kidneys bust.
One never is enough, live it up! If you got the one then, give it up!
Shit if you got none then, stick it up! Don't be a picky cunt,
pick a slut, hit another biccy up, same shit different drug live it up!
We spendin' love like that hippy stuff, ya know,
up in the stars sniffin' Ziggy's dust, the sticky bud, the trippy bud,
like the 60s was, ya know, live it up! Yellow Snot Funk!
Yellow Snot Funk! True face blue top funk!
Sittin' at the bus stop drunk! Head spinning to this rock spun,
high until the job's done, 'cause you only got one!
Well your daughter ain't no godsend, square it up until you got none!
Turn it up until the cops come; whatchu want cunt! Yellow Snot Funk!
True face like his ox tongue, sittin' in the parking lot drunk!
It's free life I'ma pop some, might as well pop some,
'cause you only got one! So we'll be smoking like a shotgun,
well we ain't rolling if it's not skunk, whatchu want cunt!
I say spots blunts scotch junk rock lungs got some sniff it up!
Yellow Snot Funk!
Sunrise
Sunset
And we ain't sleeping 'til we got none left
One life
One death
But who gives a fuck we ain't done yet
